Tertemiz duygularla sevdim seni bir fənəm
Ufəcik bir səbepten dərginlik icad ettin
Her şeyi açık açık sənə ənləttim amma
Aşkimi hice səydin, kalkıp ellere gittin

Seni sevmekten başka günahım vərsə eger
Sensizliyi içime ellerimle gómerim
Başkasını bulupta beni ünufsən bite
Yine de ah edəmem mutluluklar dikerim.
