Gönilden gönüle sesler

Dr. ALAEDDİN YAVASCA

Gönilden gönüle sesler
Bir sir olur aşkı besler
Birlesir sanki nefesle
Bir tek kalpde bir ahenkde
Gönilden gönüle akar
Akdikca her kalbi yakar

Hatır yapan hatır yikan
Gönilden gonüle sesler
Ne olur her yandan geçin
Yerimi unerseyse emşin
Aşki yudum yudum için
Gönilden gönüle sesler...
