Her kestenu zâk kal be ya kın il han lara dal
 dim..... il han lara dal dim.....
 Yıl dız lı ... se ma neh tab ve de
 niz----- gâp kın oa na rîz gâr
 çık düğü nür gen siz u yur
 ge ce has ta e der (Akır) zar,

Akşan yine göktü gönlüme kasvet dolu his
 Akşan yine sessiz kârgıda ufku saran sis
 Ruhunda garip duygular ürpermede sandım
 Herkesten uzak kalbe yakın ilhanlara daldım
 Yıldızlı sena nehtap ve deniz çapkıncana rüzgâr
 Ağak düğünür gâmsiz uyur, gece hasta eder zar.
