1- Uyandı bülbülüm dumanlı dağda
Derinden derine figani gelir
Vofasız gacıya çimimli bağda
Boşanan dardına destanı gelir

2- Sazına yuvadan aldı elbise
Dekundu hissini gıncı teline
Açıldı ruhunun coşar seline
Dinle ruhuna aşkın ezanı gelir

3- Dinliyor göçenin peri' izini
İnliyor sesinle gönül paneri
Yuvanda bulunsun yine o yeri
Ağlama bülbülüm zamanı gelir

4- Ay doğdu tepeden yayıldı kaya
İşliyor sulara ziyalı oca
Öt bülbüleğüm doya doya
Bu bağanda bir gün hazanı gelir

5- Yeşilli bir dalda eş ararken
Ne zongin emeller besteler nağmen
Hayali hissine yeşilliklerden
Yeşilli dağların olmanı gelir
