Aranâğme

Ka deh ler boş gö nül...ler...hep şı kas.....

Bu emmî şarkının cem meclisinde
Kadehler beg gömüller hep şikeste
Yerigan, yerde güller destedeste
Bu ahbabın kabahat hangisinde

Kadeh bahdın şerabı işle teşne
Gömül, bir an nazar bekler güelden
Bütün arzuların imkânı varken
Harabâtı saran mahsun ateş ne
