Güfte: Macit Gürey
Beste: Sadeddin Kaynak
17. Ekim 1949

(Günlere durmadan koşar ararım)

Günlere durmadan koşar ararım
Dağlara taşlara onu sorarım
Görmeden ölürsem ona yonarım
O nazlı sevgilim bilmem nerede

Ne bahar ne de bir bulbul sesi var
Aşkın ıstırap dan başka nesi var
İçim de hicranın derin yası var
O nazlı sevgilim bilmem nerede.
