No yaptım, kendimi nasıl aldattım,  
Elimle rûhumu âteşe attım  
Kırdım o ince kalbi  
Gönlümü ele sattım  
Çileli bülbül gibi  
Dilimle derde çattım  
Bin ıztarâp yarattım

Değıştim dikenî nazlı gülümle  
Taptığım mihrâbı yaktım elimle  
Vefâsızlığım dedim dilimle  
Yâri feda edip her emelimle  
Aşka ihânetin zehrini kattım.
