## = Virân - Bağ =

Adalardan yaza etdik de veda',  
Sızıyor bağımız üstündeki dağ.  
Seni hatırlıyoruz Virân-Bağ!

Yine bir safrada şen, şakrakdik  
Gün denizlerde sönerken bakdık,  
Ve çobanlar gibi dallar yadık,

Biz şen, onlarsa muammâliyde,  
Birinin sözleri îmmâliyde,  
Birinin gözleri hümmâliyde.

Acı duymuş diye aşkın tadinı,  
Hepimiz sevdik o solgun Kadını,  
Ve o gün Râhibe koyduk adını...

Uyuduk kırdâ, gezindik dağda...  
O yazın, ah o engin gâğda,  
Geçdi en son günü Virân-Bağ'da!
