I SAZ

Gi den genç liğin hiç ge ri gel ni gel niye cek

II

cek El ve da el ve da el ve da Ah

el ve da.....

Elveda gençliğin elveda hatıralar
 Elveda mesut günleri, ümit dolu sayfalar
 Yine nevsimler dönecek, yine yapraklar düşecek
 Giden gençliğin hiç geri gelmeyecek
 Ellerin semaya doğru yalvardım yıllarca
 Dursun zaman dönmese nevsinler
 Tanrım, Tanrım bana ümit ver heyhat
 Yine nevsimler dönecek.....
